Find the Soul of Your Business. Bring Life to Your Ideas.

When you **feel there is something missing** in your business, but you can't put your finger on it, **you stay small**. When you **don't have clarity** in your purpose, there is **no BIG aha!**

When you are ready to **reflect the REAL you**, your message **stands out and you attract your ideal clients**. When you know exactly **WHY you created your business**, you stop being Invisible and **get HEARD – you make a difference – and make money!**

Christine Laureano collaborates with motivated, soul-inspired women entrepreneurs to find the soul of their business and bring their brilliant ideas to life! She shows you how to find the core purpose for your business and the process to create your success.

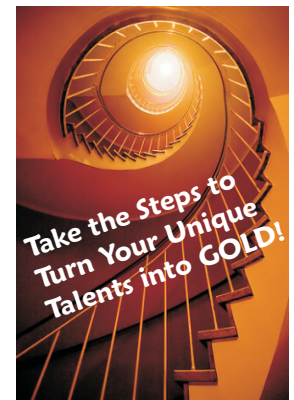

With more than 25 years experience inspiring women as Corporate Sales Executive, for Fortune 500 Companies, marketing consultant, parent and life coach, and through her own life transforming experiences, she offers fresh perspectives and principles that move you beyond the shadow of doubt to expand your business and develop a rock-solid foundation for success.

Christine's presentations are ideal for conference keynotes, breakout sessions, workshops and women's networking meetings.

And as an entrepreneur and a mother of two spirited children, her life experience is ever evolving, allowing her to share new insights and wisdom with her clients.

Christine shows people how to:

- Tap Into their Power and stop feeling intimidated by success.
- Uncover their CORE Values and Soul-Purpose.
- Discover the Unique gifts and talents that set them apart from all the others.
- Transform Unique Talents into a thriving, prosperous business.
- Confidently express their passion and brilliance in what they LOVE to do .

“Christine provided an extremely valuable service in the program I participated in. I am in the process of further developing my business, and she had many thoughts and suggestions that clarified goal-setting and other useful ideas for me. As a result of this program, I feel more focused and motivated. In addition, Christine is truly talented and a very caring coach; I recommend her without hesitation to anyone who is interested in improving their life.”

-Emily Herrick, Herrick Home Organizing

"Thank you, Christine, for the teleconference. There was a great amount of information shared. I don't think I see the forest through the trees because it always seem like it is the basics that I get hung up on. You break things out into their simplest forms. I find myself making life way too complicated than it is. "Just do it"! Thank you again."

The 5 Secrets to Creating Your Love Money Mindset

"Whether you think you can or you think you can't, you're right!" Henry Ford knew what he was talking about. Money is a thing we use to buy the things we want. We get frustrated when we don't make enough and wonder how we can make more. It's the one thing we never really consider as far as a "relationship." It's our beliefs, philosophy and understanding about what money means to us that is one of the vital relationships we need to create in order to have that breakthrough that moves our business to the next level.

Participants leave with a fresh sense of purpose, enthusiasm, energy and a step-by-step method for achieving lasting change. She shares real life knowledge with her innate wisdom to support women in designing their lives according to their vision for themselves.
